

Puzzle of the Week

Magic Flowers – 2

The sums in a *Magic Flower* are the same for all straight lines. These Magic Flowers use numbers from 1 to 5.

THE CHALLENGE: Use the numbers from 1 to 9 to make Magic Flowers.

1 2 3 4 5 6 7 8 9

EXPLORATION: Looking at the solutions for Magic Flowers 1 and 2, what do you expect the solutions to be for Magic Flowers with even more lines?
